

## Mid-level Associate in Litigation & Commercial Law

### About Van Bael & Bellis

Van Bael & Bellis is a leading independent law firm based in Brussels, with offices in London and Geneva. We are one of the few independent law firms headquartered in Brussels with a truly international dimension, both in terms of lawyers and clients.

Established more than 35 years ago, our firm has grown to include about **80 lawyers from 20 different countries**. While our working language is English, our lawyers speak more than 20 different languages. Since our inception, we have developed a reputation as one of the most skilful teams of lawyers in our areas of expertise. We provide specialised advice to clients ranging from multinationals, government bodies and top-tier law firms around the globe. We offer our clients the support of a highly effective team of professionals with multi-jurisdictional expertise and a truly international perspective. We work on complex, high-end international assignments, which require deep knowledge of the law, yet practical results for our clients.

The firm's **Belgian business law practice** is in **full expansion** and concentrates primarily on corporate law, mergers & acquisitions, banking and finance law, labour law, commercial law, intellectual property law, GDPR, litigation and arbitration, competition law and regulated markets (life sciences, energy and telecom).

We are currently looking for a mid-level litigation & commercial law associate with between 3 and 5 years' experience.

### About your function

You will assist clients with legal and strategic advice regarding looming or existing disputes, as well as representation of our clients before the Belgian civil and administrative courts. You will work for clients in a wide variety of industries, allowing you to acquire sector-specific knowledge which has become ever more important in an increasingly sophisticated legal landscape. Your litigation files will touch upon many areas of the law, including complex commercial and corporate disputes, marketing and distribution law, contract law, regulatory law, administrative law and life sciences law. You also will be expected to assist with the coordination of pan-European litigation for our multinational clients and the handling of cross-border disputes. You will work alongside other teams of our firm on a regular basis (e.g. corporate, regulatory, etc.).

## About your profile

- You have an excellent academic track record;
- Preferably, you have an additional Master degree from an English-speaking university;
- You have **up to 5 years' experience** in litigation & commercial law at a reputable law firm;
- Your mother tongue is Dutch or French and you have an excellent command of French or Dutch, respectively, as well as of English
- You have strong analytical and writing skills;
- You have an excellent command of English and at least a good passive command of the other national language;
- You are eager to invest in business development activities such as seminars, drafting of newsflashes and publications;
- You are entrepreneurial, a team player, eager to learn, able to work independently and professionally confident.

## Our offer

You will be able to work in a stimulating and dynamic environment with motivated and enthusiastic colleagues, direct client contacts, and high profile cases for companies operating in a wide range of sectors.

You will work on diverse files including the full range of litigation and commercial law areas (including transactional work).

The firm relies on a very professional working environment with all necessary support, which will enable you to concentrate on the high level legal work.

You will be in contact with a diversified international client base. You will find a variety in your work, with the ability to take initiative. You will be trained on the job by experienced lawyers. You will be stimulated to develop your own growth path.

You will be offered a very attractive and competitive remuneration package and a range of benefits.

The firm invests heavily in its people in terms of training, welfare, incentive and reward, and prides itself on maintaining a friendly, informal and sociable working atmosphere.
